September 11·12·13, 2019

RUBAE –is a unique business aviation exhibition in Russia and CIS which will be held in Vnukovo-3 airport

From the 11th to the 13th of September the leading aircraft manufacturers and business aviation service companies will be welcomed to Vnukovo-3 Airport

Traditionally the exhibition will be divided in two parts:
Exhibition Hall and Static Display

The Static Display will represent business jets from world-famous manufacturers: Cessna Aircraft, Bell Helicopter, Embraer, Bombardier Aerospace, Dassault Aviation, Gulfstream Aerospace Corporation, Hawker Beechcraft

The Exhibition guests are: high-ranking government officials, private investors, business jet and yacht owners, top-managers and representatives of market leading business aviation companies, yachts manufacturers, and other companies engaged in the production and distribution of luxury goods

The organizers expect approximately
10000 guests to visit RUBAE 2019

RUBAE gives a unique chance to meet representatives of one of the fastest growing and perspective industries of Russian aviation market on a single platform to discuss the future development in a casual way
